SUBJECT: NEWS CORPORATION PURCHASES TWO TV STATIONS IN LATVIA

11. (SBU) On May 11, Ambassador Bailey met with three executives of U.S.-based News Corporation to discuss the company's purchase this week of two Latvian television stations. The company bought LNT (a leading Latvian language station) and TV5 (a prominent Russian-language station). During the meeting, News Corporation described its plans to expand aggressively throughout Eastern Europe and Turkey--describing current conditions as "something of a land rush" for media properties in this part of the world. In addition to meeting with Ambassador Bailey, News Corporation also paid a courtesy call on Prime Minister Kalvitis as well. The company has not yet gone public with this purchase, but plans to issue a press release in the next couple of weeks.
